## 4. LIASION REPORTS

- A. DSCC, including Army, USAF, Navy; except NAVAIR (Ralph Antonelli)
- B. NAVAIR (Dwight Tabit)
- C. SAE (Dave Bouzek)
- D. ASTM (Frank Ruffino)
- E. IICIT (Frank Ruffino)

## 5. OTHER BUSINESS

- A. Review of questionnaire for CE-2.0 (Frank Ruffino)
- B. Documentation Structure Strategy (Carl Fritz) (Retained for Historical Purposes)

Consensus of the committee is that there is no valid reason to continue to use the generic, sectional and blank details. These documents should be obsoleted at the next review cycle.

## 6. NEW BUSINESS

### A. Scope

Review our CE-2.0 Committee Scope. I think it needs adjustments and this has not been done after we merged CE-3.0

### B. Committee Profile

The committee needs to develop a committee profile similar the ACH's profile which is attached as an example.

### C. Committee Process

Also include a review of the "Official" Process for ballots and resolving negative ballots. I will ask Bob to give us presentation on what we should be doing.

**This agenda item has been scheduled for 2:00 PM on Tuesday 28 April 2009 to accommodate Mr. Bob Willis, President ECA.**

Attached is a document that we received from Ralph in November. We need to ask for a review of this data so we can request changes at ECA to bring it inline with reality.
